Dear MYIS Community,

In response to the case of CoVID-19 in the ISB community, we have been in communication with the Nonthaburi Office of Private Education Commission (OPEC). It is their recommendation that we close our campus for all students next week. During this time the campus will undergo stringent deep cleaning, including disinfectant spraying by an outsourced cleaning company.

Teachers will be in contact with their families via Seesaw on Monday morning as they launch 3-days of Distance Learning. Thursday and Friday will remain as student free days as teachers engage in professional learning.

A separate email will be shared over the weekend detailing expectations for the Distance Learning Program.

Thank you for your understanding at this time.

Kind Regards

Khanum

Mrs. Khanum Thampi
