Dear Families,

In consultation with the Office of Private Education Commission (OPEC) we have decided to keep MYIS open this week, unless directed otherwise. OPEC has advised us that the nature of our shared community with ISB allows for some potential risk to our community. As a precautionary measure we are asking for your cooperation with the following:

All community members who attended ISB on Friday, March 6, are asked to refrain from coming to MYIS during the period of ISB's closure. In particular, we are asking that ISB siblings or parents who work at ISB stay away from campus during this period.

We understand that this measure may provide a challenge for some of you, however we must take any precautions we can to minimize our MYIS community's exposure to CoVID-19.

Please do reach out if you have any questions. Thank you for your support in this matter.

Sincerely,

Khanum Thampi
